The Cattle Health Declaration is a legal document. Please complete accurately before signing.

Some states/territories require testing or certification additional to that outlined in this document e.g. Johne's disease (JD) in WA and for Enzootic Bovine Leucosis (EBL) in Tasmania. Please check the entry requirements for any interstate movements at:

The original of this form is to be attached to the National Vendor Declaration (NVD) form accompanying the cattle, if applicable. A duplicate remains with the vendor; it is recommended the vendor retains a copy of this declaration for seven (7) years.

Provide details on any cattle treatments in the last six (6) months and vaccinations within the last twelve (12) months.

For vaccinations to be current, you must have followed the manufacturer's recommendation for vaccination. Typically, young animals or first time vaccinated animals need two (2) doses, followed by annual boosters. As variations to this general rule do occur (e.g. Silirium is given once only), you must use the manufacturer's recommendations.

QUESTION 3: PESTIVIRUS TESTING

Persistently infected animals can be detected by conducting a pestivirus antigen test. This test only needs to be conducted once in an animal's life. Cattle that test positive in most cases are persistently infected animals. Pestivirus antibody testing may be done to check the pestivirus status of the herd. Contact your veterinarian for assistance.

QUESTIONS 4, 5 & 6: JOHNE'S DISEASE BEEF CATTLE

The **Johne's Beef Assurance Score** (J-BAS) is a voluntary tool developed for JD risk profiling. Details are available at www.animalhealthaustralia.com.au/jd-cattle-tools. The J-BAS is an initial guide and purchasers should ask for more information about JD in the origin herd (see the JD In Cattle Biosecurity Checklist on the 'JD in cattle' webpage).

Check test – testing of 50 adult animals in the herd (or all eligible animals in a herd if less than 50 adult animals) biased to increase the probability of detecting infection, tested by (pooled) faecal culture or (pooled) HT-J faecal PCR. An ELISA test is available but is not recommended and also not accepted for entry of cattle to WA.

Grazing of non-bovine species – Buyers of cattle from this consignment may

VICTORIAN AGRICULTURAL SHOWS LIMITED

SPORTS PARTICIPANT RISK ACKNOWLEDGMENT & WAIVER

Name of participant:

Address:.....Postcode.....Phone.....

Victorian Agricultural Shows Ltd and Yea A. P. & H Association (together "the Suppliers") advise that participation in horse sports at an agricultural show or horse competition contains elements of risk, both obvious and inherent. Horse sports are dangerous recreational activities and horses can act in a sudden and unpredictable way, especially when frightened or hurt.

By signing this waiver I acknowledged that:

participation in horse sports is a hazardous activity and may result in injury, loss, damage or death to me; participation in horse sports requires certain skills. I declare that I have sufficient skills to be able to safely and properly participate in the events; horses can act in a sudden and unpredictable way, especially if frightened or hurt, or if exposed to loud or unfamiliar noises;

if held at an agricultural show, the horse sports will be held in close proximity to rides and large groups of people, and that there may be loud and unfamiliar noises which can frighten horses;

as the event is held outdoors, there are risks to me and to my horse as a result of the weather conditions, including either extreme hot or cold weather, rain or wind; insects or other animals may cause my horse or other horses to become frightened and act in an unpredictable way;

there is inherent in horse riding events the risk of suffering injury including falling from my horse;

I am responsible for ensuring that I have and will wear equipment suitable for safely and properly participating in the event; and

I use the facilities of [name of show society] entirely at my own risk, as I find them and with the prior acceptance of the risk of possible danger to me.

If I suffer harm while participating in a horse event, I will not hold the Suppliers, their employees or agents legally responsible for any injuries I suffer. I will not sue the Suppliers, their employees or agents for any claims, costs, damages or liability. I agree to release the Suppliers and their employees from legal responsibility for the services I have been provided.

I acknowledge and agree that my participation in the horse Sports and associated activities are a danger and may have inherent risks as a result of which personal injury (and sometimes death) may occur and I accept and assume all such risks of personal injury or death in anyway whatsoever arising from these activities and hereby waive my individual right to sue the Suppliers for all claims I or my representatives may have for such personal injury or death against the Suppliers in any way whatsoever arising from or in connection with these activities.

I will not consume any alcohol or illicit drugs while participating in the horse sports and agree that such use may result in me being excluded from an event with no entitlement to any refund of money paid for entry to the Suppliers.

I agree to be bound by the rules and guidelines of Victorian Agricultural Shows Ltd as varied from time to time.

Where the participant is over 18 years of age:

I agree that I have read and understood this waiver prior to signing it and agree that this waiver will be binding on my heirs, next of kin, executors and administrators.

I agree that this waiver shall be governed in all respects by and interpreted in accordance with the laws of Victoria.

Signature:Dated:.....

Where participant is under 18 years of age (to be completed by a parent or guardian):

Ibeing a parent or legal guardian of the above named participant hereby consent to my child participating in horse sports. I confirm that I have read and understood and explained to the participant, this waiver prior to signing it and agree that this agreement will be binding on my (and their) heirs, next of kin, executors and administrators. I agree that this waiver shall be governed in all respects by and interpreted in accordance with the laws of Victoria.
